

ROOTED IN NATURE

PASSIONFRUIT FLAVORED YERBA MATE TEA

YACHAK ORGANIC has been inspired by the power found deep within the Amazon Rainforest to create a new kind of experience.

Made with organic ingredients including Yerba Mate (yur buh mah tay), a species of the holly plant that grows in the central and southern regions of South America,

Yerba Mate is a natural source of caffeine and has been consumed as a brewed beverage for centuries.

Each can of Yachak contains 165mg of organic caffeine.

Yachak is the name the indigenous Kichwa people of the Sarayaku in the Ecuadorian Amazon give to their Shamans. We believe in treasuring the Amazon and the people and animals who live there and are on a mission to preserve the rainforest.

WE'RE COMMITTED TO PLANTING MORE THAN 500,000 TREES IN THE AMAZON WITH THE HELP OF OUR FRIENDS AT ONE TREE PLANTED.
