Cracker Jill

WSF Women's Sports Foundation®

Cracker Jack® has been a part of sports for over a century. We were there as records were made and as rules changed. And today, another transformation is taking place.

Throughout sports, women are changing the face of the game, one base, basket, and goal at a time.

It's in this spirit that we introduced Cracker Jill®, a new face teaming up with Cracker Jack® to show women that they're represented, even in our most iconic snacks.

In celebration of the next generation of athletes everywhere, we're partnering with the Women's Sports Foundation to help women play, compete and lead without barriers.
