MICROWAVE IT
1 Remove lid and Seasoning Pouch. You will see loose white powder in the pasta. This is necessary for proper cooking.
2 Add water to the fill line inside of the cup.
3 Stir it up.
4 Microwave uncovered on HIGH for 3 minutes, or until pasta is tender. DO NOT DRAIN. You'll need the liquid to make the sauce.
5 Stir in Seasoning Pouch, mix 2-3 minutes for maximum cheesiness.
CAUTION: CUP & CONTENTS WILL BE EXTREMELY HOT
Microwave ovens vary in rate of heating; cooking time may need to be adjusted. Do not reuse cup. Additional space included in cup to prevent product from boiling over. Do not leave microwave unattended.
